

SCAFFOLDED LEARNING

4

You do, I watch

You clean the bathroom and I watch you do it.
You write a learning outcome and I check it.

3

You do, I help

You clean the bathroom and I help you when you miss spots.
You write a learning outcome and I help you refine it.

2

I do, you help

I clean the bathroom, and you help me do it.
I write part of a learning outcome and you help me complete it.

1

I do, you watch

I clean the bathroom, and you watch me to see how I do it.
I show you an example of an effective learning outcome.
